## Appearance:

## Installing the SIM card:

Your device likely has a SIM card already installed, but if for any reason you need to install one yourself, this is what you do:

- First, open the cover of SIM card.
- Then insert the SIM card into the slot of SIM card according to the direction shown. Finally, cover the slot.

## To activate Service:

Go to "[www.TrackingTheWorld.com](http://www.TrackingTheWorld.com)" and click on the "signup" button. Then follow the on screen instructions.
